

Fees for 2022-2023 (as of Dec. 1 2021)

Did you know? Our tax receipts are written as ‘childcare’, allowing you the option to claim a portion of these fees as a tax rebate. At this time, all Fall 2022 programs are only offered at our Strathcona campus. More campus updates to follow in mid-spring 2022!

- There is a \$100 fee per student to apply; non-refundable due at the time of application.
- Due to the funding model for the new Provincial government grant programs, we are prioritizing 4 and 5 day schedules until March 15 2022 to help families maximize available subsidies.
 - o If you are a returning family and are only interested in a 3 full day schedule, please e-mail admissions@aspenhillmontessori.ca before applying.
- Bambini and Casa programs:
 - o Based on the best outcomes of children in our program evaluated across attendees of half and full day programs, we are only offering full-day options for 2022-2023.
 - o Senior Bambini/Junior Casa blend is only available to children who have been in our Bambini program for a previous year, and at the Centre’s recommendation.
- Senior Casa / Kindergarten readiness:
 - o To follow a truer Montessori teaching model, all children ages 3 through 6 will now participate in our unified multi-aged Casa program. Children will advance in skill based on their sensitive periods of development regardless of their age group.
 - o If you are interested in kindergarten readiness, please register for Casa.
- A one-month tuition deposit is required when your child is awarded placement, at full list print (no grants or subsidies applied). This is applied to your June 2023 tuition and is non-refundable. Once your child completes this month, you will be reimbursed for any Operating Grants available from the Province at the posted rate schedule.
- There is a \$200 Enrichment and Safety fee per student. This includes advanced health procedures and equipment due to the lasting outcomes of COVID-19. This fee is non-refundable and due at the time of a placement being awarded.
- There is a \$125 change fee for parent-requested schedule changes made once your registration is submitted and placement has been offered. If the Centre offers your child increased schedule, this fee does not apply.

Monthly payments are currently payable by post-dated cheques, due as one set as indicated in your placement letter. Please inquire for annual or bi-annual payments by credit card, cash or e-transfer.
