

# Fees for 2026-2027

(as of Jan. 5 2026)

**Aspen Hill Montessori is a private early learning Centre funded by parent-paid tuition.** Until Mar. 2027, the Province's Affordability Grant program reduces the amount of fees paid out-of-pocket. *For the most current information, please inquire during your Pre-Application Interview.*

The expected 2026-2027 Care Contract cycle for Bambini and Casa students is Sept. 9 2026 through to August 27 2027, with early starts available as soon as July 2026. Pre-Application Interviews for these levels open Jan. 5 2026. We are a full-time program only while participating in the Affordability Grant.

Nido care schedules are year-round with rolling intake. Interviews for placements are typically held 14 - 18 months prior to planned entry.

Care costs are withdrawn via EFT 5 business days prior to the 1st of each month from Sept. - May. A one-month non-refundable tuition deposit, applied to your first month of care, is payable at the time of enrollment.

A \$500 application fee is due at registration per student while under the Affordability Grant, and does not need to be paid again as long as registration is continuous. This fee does not apply to your tuition, and is non-refundable/non-transferrable, even if you cancel your space before your child begins care. Families also are responsible to purchase their child's needed uniforms.

Please see our current Centre Parent Handbook / Policies (available via [www.aspenhillmontessori.ca](http://www.aspenhillmontessori.ca)) for complete information regarding fees, fee payments, withdrawals and more. *Our tax receipts are written as 'childcare', allowing you to claim up to 30% of parent-payable portions as a tax rebate.
