

Fees for 2024-2025

(as at Jan. 1 2024)

Did you know? Our tax receipts are written as 'childcare', allowing you to potentially claim a portion of these fees as a tax rebate. To learn more, visit <https://bit.ly/2NXshYb>, or the Canada Revenue Agency's website. ***Please see our separate handout to learn more about the Provincial Affordability Grant and Subsidy.***

- There is a \$150 non-refundable application fee per student at the time of registration.
- A deposit is required when your child is awarded placement. This is applied to your **first** month of tuition (or for Nido students, the month they turn 19 months old) and is non-refundable/non-transferrable, even if you cancel your space before your child begins.
- There is a \$200 Enrichment fee per student per learning season. This fee is non-refundable and due at the time of a placement being awarded.
- There is a \$150 change fee for parent-requested schedule changes made once your registration is submitted and placement has been offered. If the Centre initiates or offers a change in your child's schedule, this fee does not apply.
- To join our Alberta Education Registered Kindergarten program children must be turning 5 before Dec. 31. They will be required to move forward to Grade 1 in Fall 2025.
- Our Advanced Senior Casa / Kindergarten Enrichment program is available on recommendation only to current AHM students or children arriving from another program.
- Extended hours programs (before / after care) are flexible drop off and pick up within the windows of time noted. Once registered, you are welcome to use the services as much or as little as you like, but rates remain per month. Drop-in space is not guaranteed.

Monthly payments are currently payable by post-dated cheques, due as one set as indicated in your placement letter. Please inquire for annual or bi-annual payments by credit card or e-transfer. Financing fees will apply.

IMPORTANT: Affordability Grant program is subject to changes.

Aspen Hill Montessori does not control Provincial programs. It is important to know that the Affordability Grant program could end or change at any time. We will provide as much notice as possible to alert families of changes.
